

## The Top 10 Corporate and Securities Articles of 2022

The *Corporate Practice Commentator* is pleased to announce the results of its twenty-ninth annual poll to select the ten best corporate and securities articles. Teachers in corporate and securities law were asked to select the best corporate and securities articles from a list of articles published in legal journals during 2022. More than 400 articles were on this year's list. Because of the vagaries of publication, indexing, and mailing, some articles on the 2022 list have an earlier date, and not all articles containing a 2022 date were published or indexed in time to be included in this year's list.

The articles, listed in alphabetical order of the title, are:
